

Psellos Special Unit Personnel Profile:

Name: John Caprin
Date of Birth: 05/14/3032
Place of Birth: Alexandretta,
Bristol

Eye Color: Blue
Hair Color: Blond
Height: 1.90 m
Weight: 111.4 kg
Sex: Male
Home Planet: Bristol
Nationality: Federated Suns

Tested Proficiencies:
Light Battlesuit Operation
Medium Battlesuit Operation
Heavy Battlesuit Operation
Basic Marksmanship
Advanced Marksmanship

Military History:

3049-3053: Infantryman 9th Federated Commonwealth RCT Served in
Twycross counterattack.
3054: Joined United Aerospace as a security consultant.
3058: Hired by Psellos group as transport security
specialist.
3062: Joined crew of the Caitri as head of security.

Psychological Evaluation:

No nonsense individual. Flexible in his command style, but still tends to value input from subordinates. Some consider him paranoid as he checks the background of every individual personally before allowing them on board a ship he is in charge of securing.

Tactical Skills Evaluation:

Specializes in rapid shipboard assaults with preferences toward mixed armor groups for maximum flexibility. Prefers dynamic entry areas, where applicable. Experienced in traditional infantry as well as armored infantry.
